

R.C. Woman Meets Death in Accident; S.P. Cars Derailed

A Redwood City woman met death from injuries received in an automobile accident Monday in San Jose and two freight cars were derailed in the north end of Redwood City the same night in two of a series of accidents on the Peninsula over the weekend.

Mrs. Louise C. Flannery, 69, who had been a homemaker at the home of Frank J. Griffin, 723 Winslow St., head of the physical education department at Sequoia High School, for several years, died at 3 p.m. Monday from injuries received in San Jose three and a half hours earlier.

Mrs. Flannery, familiarly known to coaches, athletes and other friends who have visited the Griffin home as Lou, was riding in a car driven by a friend, Mrs. Helen F. Gretton, 42, when the accident occurred. The car driven by Mrs. Gretton and one driven by Edward Connery, 29, collided at an intersection. The Gretton car was struck on the side where Mrs. Flannery was riding.

Mrs. Flannery was taken to O'Connor Sanitarium, where it was found she suffered a head injury and back and chest injuries. She was not believed seriously injured at first but her condition became worse and she died in mid-afternoon.

Mrs. Flannery, who had taken care of the Griffin home since the death of Griffin's mother, Mrs. Mary J. Griffin, 4½ years ago, had lived in San Jose 40 years before coming here. She was the widow of Philip S. Flannery. She is survived by a son, Harold J. Flannery, city engineer of San Jose, and grandchildren, Kathleen, Joan and Mary Flannery, whom she had gone to visit Saturday.

Rosary will be said at the Monahan Funeral Parlor in San Jose tomorrow evening. Mass will be at St. Patrick's Church in San Jose Wednesday. Interment will be at the Catholic Cemetery, Santa Clara.

The Southern Pacific freight cars jumped the track at the Rogers St. crossing at 11:15 p.m. yesterday when the coupling of one of the cars fell. One car jumped the tracks completely. The second car was pulled over with it.

Two northbound and six southbound trains were halted until between 4 and 5 a.m. today when the tracks were cleared. One of the cars extended about 30 feet onto the Old County Rd. Chief of Police C. L. Collins said. The cars were loaded with lemons.

Charlene Duggan, 21, of Campbell, received serious injuries at 11:05 a.m. yesterday when the

motorcycle she was riding with Alida J. Hampton, 27, San Jose, overturned on El Camino Real south of San Luis Ave., Lomita Park. She was taken by ambulance to South San Francisco Hospital. Hamptonson escaped with minor injuries.

Hamptonson told the California Highway Patrol that he saw a dog jump from behind a car and he swerved to the left to avoid striking it. The dog ran into the wheel, overturning the motorcycle.

Mrs. Dorothy Preston, 21, 446 Beresford Ave., received a possible skull fracture at 1:30 a.m. yesterday when she fell out of a car driven by Alvera Carille of Redwood City on Vera Ave. Her condition was reported as fair today by aides at Community Hospital, where she was taken.

Mrs. Margaret Sears Vieth, 24, 1340 Eaton Ave., San Carlos received a possible nose fracture and chest injuries in an accident in the 1700 block of El Camino Real, San Carlos, at 12:10 a.m. yesterday. She was riding in a car driven by Gabriel Pugas Jr., 1828 Middlefield Rd., a marine who recently returned from the South Pacific. His car and one driven by Wilfred C. Matthews, 230 Edna St., collided.

Only minor property damage resulted this morning when the cars of Andrew Hoen of Palo Alto and Philip J. Hartman of Salinas collided on El Camino Real at Atherton Ave.

According to police reports, both cars were going north. Mr. Hoen's in the left lane. Mr. Hartman's in the center. The collision occurred when Mr. Hartman attempted to turn left, as Mr. Hoen was overtaking him according to J. E. Farrell, police chief.

Both cars were coupes, and both incurred approximately \$20 worth of damage, Mr. Farrell said.

Barbara McAuliffe Wins School Honors

Barbara McAuliffe, daughter of Judge and Mrs. Edward I. McAuliffe, was awarded the Ada Ryland Medal for four years top scholarship in Christian Doctrine at the College of Notre Dame, Belmont.

Miss McAuliffe also received the science award.

Ferrell Picks F. M. Wyckoff, A. S. Whitmore

Dist. Atty. Gilbert D. Ferrell has appointed A. S. Whitmore as chief deputy district attorney and Fred M. Wyckoff as deputy district attorney. Formal appointments, to be effective July 1, will be made during the week.

Appointment of Wyckoff, court reporter in Superior Court Dept. 2 since September, 1933, came as a surprise to courthouse observers. He was admitted to the bar in 1928 and practiced law in Mono County and San Francisco before coming here.

Wyckoff, who lives at 1341 Columbus Ave., Burlingame, with his wife and two children, Robert and Bruce, has served as court reporter under the late Judge Franklin Swart and A. R. Cotton, present judge.

Whitmore, who lives at 49 Birch St., has been special assistant in Ferrell's office for several months and it had been rumored that he would be given one of the vacancies in the office.

Whitmore replaces Louis B. Demattei, who entered the navy. Wyckoff succeeds O. M. Van Dym, who resigned.

Whitmore was admitted to the bar in 1927 and practiced law in San Francisco before coming to Ferrell's office. He has resided in Redwood City 20 years. He started his study of law while sheriff of Tazewell County, Ill. He was the youngest sheriff in Illinois at that time.

Whitmore is the father of four sons, three of whom are in military service. His son Earl, member of the Redwood City Police Dept. when he entered the service, is a cadet in the army air corps at Cedar Falls, Ida. His youngest son, Harold, is a second lieutenant in the air corps and is a fighter pilot based in England. Robert Whitmore, member of the Redwood City Fire Department, left for boot camp in the marine corps at San Diego last week. A fourth son, Merle, resides here.

Judge Cotton said that no replacement for Wyckoff would be secured until the end of the vacation period.

Carlisle Cheney Pleads Not Guilty To Assault Charge

A two-man psychiatric board was appointed today by Superior Court Judge Maxwell McNutt to examine Carlisle Cheney, 31-year-old radio technician who lives at 14 Darcy Court, San Mateo, who yesterday pleaded not guilty by reason of insanity to a charge of assault with a deadly weapon.

Named to the board were Dr. E. W. Muen, superintendent of Agnew State Hospital, and Dr. Robert F. Montieth, Redwood City physician. Cheney, a Sunday school teacher in Burlingame, is out of jail on \$1000 cash bail and is now in a Williams psychiatric and medical director at Twin Pines Sanatorium, Belmont, said Cheney had suffered a nervous breakdown and blamed it on hysteria.

A. S. Whitmore of the district attorney's office said that Cheney had felt responsible when he could not secure radio parts for his customers, that he brooded over rationing, black markets, governmental red tape and the war in general.

Cheney on June 5 drove his automobile into the 101 Truck Stop on Bayshore Hwy. at Geneva Ave and told the attendant, Richard Edwards, to give him butane gas. Edwards informed him he had to have a permit and Cheney said he had no permit. Edwards then went back into the garage.

E. A. Covarrubias, owner of the place, observed that Cheney had put 25 gallons of butane gas into his car during Edwards' absence. Covarrubias asked Cheney, "Where's your permit?"

"This is my permit," Cheney is alleged to have replied, sticking a .32-caliber gun in Covarrubias' stomach. Edwards noticed what was taking place and struck Cheney on the head with a wrench. Cheney was taken to Community Hospital to recuperate.

Asked by authorities why he had a gun, Cheney said that he had heard about so many rape cases that he bought a gun to give to his wife for her protection.

Cheney's guilty plea was made yesterday in Judge Maxwell McNutt's court. Aug. 15 has been set as the date of his trial.

30 Types Buoys Used

Along the 2400-mile coast of England and Wales, 30 different types of buoys are used. The heaviest of these weighs 20,000 pounds and the lightest 500 pounds.

Barrett & Hilp Sue County For Taxes Paid

Barrett & Hilp, operators of Belair Shipyard, Tuesday filed suit in superior court here against the San Mateo County and the city of South San Francisco to recover taxes paid under protest.

The suit was the second complaint of its kind filed here in the past week. Last week Western Pipe & Steel Co. sued San Mateo County and the city of South San Francisco and their officials to recover taxes paid under protest.

The Belair Shipyard, operated by J. Frank Barrett, Harry H. Hilp, Edmond J. Barrett and Lawrence Livingston, asked for recovery of \$3206.64 paid to the county Dec. 23, 1943, and \$1729.61 paid to South San Francisco Apr. 5 of this year.

In October, 1943, County Assessor Martin J. Flynn assessed the property interest at \$10,500 with respect to the lands and \$112,081 with respect to facilities and equipment. South San Francisco assessed the firm \$10,500 for the land and \$105,581 for facilities and equipment.

The complaint alleged that the facilities and equipment were constructed and acquired by the United States under a contract dated June 30, 1942, and that the firm was a mere occupant of the premises at the will of the United States for a restricted purpose and therefore was not subjected to tax.

If the firm had any taxable property interest in the facilities and equipment, the complaint stated, the "interest was over-valued and the assessment was grossly inequitable and palpably excessive."

Attorneys for the firm are the same that represent Western Pipe & Steel Co.—Samuel O. Clark Jr., assistant attorney general; Frank J. Hennessy, U. S. attorney, and William S. Licking, assistant U. S. attorney.

Illustrated manuscripts of the Mayas and Aztecs recording their legends were destroyed by the Spaniards when they explored Central and South America.

Woman's Relief Corps Adds to Camp Fund

The Lions Club-Tribune Campship Fund today reached a \$215 total with receipt of a check for \$11 from the Gen. George S. Evans Woman's Relief Corps 36 of Redwood City to pay expenses for a girl for one week at Girl Scout camp at Camp Chaparral in Big Basin.

The check was mailed by Elva Kelson, department chairman of child welfare for Woman's Relief Corps for California and Nevada, and was signed by Lora C. Barrows, treasurer. The money will be used to send an underprivileged girl to camp.

Money contributed to the campship fund is used to send underprivileged girls to Girl Scout camp at Big Basin, and boys to Boy Scout camp in Memorial Park near Pescadero or YMCA camp at Jones Gulch, La Honda.

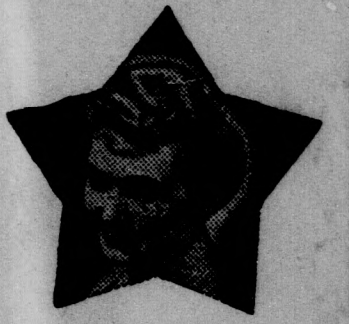

Money may be brought or sent to the Tribune office, 30 California St.

Accidental poisonings take nearly 1200 lives a year in the United States.

The Military Order of the Purple Heart was founded by George Washington in 1782.

CALIFORNIA MARKET

WILL YOU?

Will you share your car wherever possible with those who cannot now be accommodated on our buses? We ask this co-operation of the general public during this present difficulty, believing that you are always willing to help the other fellow in an emergency.

Getting war workers to their job is one of the important tasks that Greyhound performs, but the present unwarranted action of drivers, by their refusal to carry standee passengers, is seriously hindering the nation's war effort.

With the shortage of buses and the heavy demands for transportation, it is necessary for some passengers to stand in order to accommodate all. We regret this condition very much. Our action in carrying standees, as a wartime measure, has the authorization of the Office of Defense Transportation, the California Railroad Commission and the Interstate Commerce Commission.

Pacific Greyhound Lines expects to receive delivery of additional new buses between now and the end of the year, and this should help to relieve the situation. But right now your help is urgently needed. So wherever you can will you share your car, and help carry the war worker to his job?

Your help and co-operation will be appreciated.

PACIFIC GREYHOUND LINES

What's the Cost of a Wooden Cross?

EVERY white wooden cross that marks the grave of an American fighting man is paid for in full—with a gold star, a handful of bitter-sweet memories . . . and an empty heart at home.

It's tough to die alone, far from your loved ones, with the feel of the metal that's biting out your life—but some fighting man is dying that miserable death *right now*, because

our country asks it of him.

When a Victory Volunteer asks you to double your bond buying during the Fifth War Loan, think of the cost of a wooden cross before you answer—think of the price some soldier—and his family—is paying at that very instant. Then pledge every dollar you can. Because you have an American heart—because it's *your* country and *your* duty.

Back the Attack! - BUY MORE THAN BEFORE!

And Here Are 5 MORE REASONS for Buying EXTRA Bonds in the 5th!

1. War Bonds are the best, the safest investment in the world!
2. War Bonds return you \$4 for every \$3 in 10 years.
3. War Bonds help keep prices down.
4. War Bonds will help win the Peace by increasing purchasing power after the War.
5. War Bonds mean education for your children, security for you, funds for retirement.

Flag Display
Scheduled
On Fourth

A United Nations flag display has been added to the program of the gala Fourth of July celebration, it was announced last week by Ole Olesen, chairman of the Peninsula Celebration Assn.

The flag display is being arranged by Thomas Vernal, past commander of the Redwood City American Legion Post 105. Vernal hopes to have the flags of all the United Nations in the display and today appealed to organizations and individuals having flags of other nations to call him at RC 3598.

Another added feature to the attraction-studded Independence Day observance will be competition for a prize awarded by the San Mateo County Mounted Patrol for the best horse drawn rig used as transportation to Hawes Park, scene of the celebration.

Chairman Olesen today urged all attending the celebration to wear slacks and big hats, to fit into the informal theme of the day.

Stanford Professor
Takes Leave for Year

STANFORD—Karl Spangenberg, associate professor of electrical engineering left last week for Washington, D. C., on a year's leave of absence from his university duties. He will serve as technical aide and expert consultant to the signal corps for the Office of Field Service, Division of Operational Research, Office of Scientific Research and Development. Attached to the army in a civilian capacity, he will leave the United States on various missions with equivalent to the rank of lieutenant colonel. Headquarters will be in Washington.

Puya Plant
Blooms Again

The puya plant at the Perennial Gardens in San Carlos is blooming again for the third time in the last 15 years, Mrs. Max Barnhart, proprietor, announced today.

The plant which to the uninitiated looks as if it might belong to the cactus family has two spikes between four and a half and five feet in height.

Close against the main stalk, opening from the middle outwards at evenly spaced intervals is the flower itself. A group of perfectly colored teal blue bells slashed with orange stamens which are dotted with a glowing green color lift honey filled cups upward.

Each bell has five segments which are so fluted as to resemble petals. Instead of hanging earthward as with most other flowers, each bell is turned upwards so that the flower is able to hold honey in its cup.

The peculiar odor of the flowers has been likened by some to that of coconuts.

A native of the Chilean Andes, the plant is found at a 5000-foot elevation. While there are two or three known to be in Northern California, none has ever reproduced. Seed for this purpose has to come from Chile.

The flowers are blooming for a couple of months once the plant flowers. Oddly enough while there seems to be no regular cycle for flowering, all plants all over the country flower at the same time.

search and Development. Attached to the army in a civilian capacity, he will leave the United States on various missions with equivalent to the rank of lieutenant colonel. Headquarters will be in Washington.

SPORT SHIRTS THAT LET
MEN RELAX IN COMFORT! 2.98

Being comfortable is the main thing, of course. But you might just as well look neat too! Especially when you can do it so practically in Wards sport shirts! The hard-to-muss rayon fabrics feel cool-as-ice next to your skin—the soft colors and neat plaids score an instant hit! Well-tailored styles with action back, roomy pockets, convertible necks; long or short sleeves.

FOR COMFORT'S SAKE—
GET A NEW SPORT COAT! 14.75

Of course there's a whole lot more than just comfort in a Wards sport coat. There's a lot of good looks, too. And there's economy also—for a sport coat helps you to give your regular suits a rest on days off or evenings. These better quality coats are made of soft, smooth 100% virgin wool fabrics, smartly tailored. Choice of colorful plaids, checks, diagonals, and stripings.

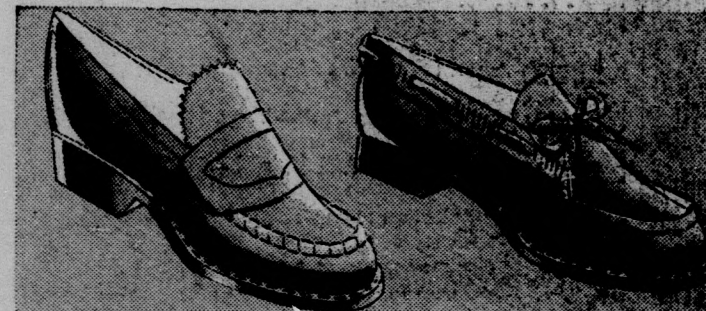

MEN'S TROUSERS FOR SPRING 6.98

Give your suits a rest when you can—change over to Wards well-fitting, smart-looking slacks. These gabardines come in plain colors and patterns—all rayon or rayons blended with wool.

GOOD-LOOKING SLACKS
FOR OLDER GIRLS 1.69

Sizes 7 to 14. So new! So smart! With pleated fronts . . . button plackets . . . and the tapered legs that are all the rage with the younger set! Made of durable cotton drills and twills in the dark shades that look so well with crisp white blouses and gaily striped sport shirts! Typical of the many good reasons why so many girls buy their clothes at Wards! Tub alone.

WOMEN'S RUGGED CASUALS 3.29

They're so smart and comfortable you'll wear them every day! Choose your favorite moc vamp in either of two styles, the antique brown leather loafer, or the leather drawstring tie. Rationed.

MEN'S WOOL TRUNKS
FAST DRYING! 2.98

Active swimmers want action trunks! These are designed for speed as well as good looks!

PRETTY PINAPORES FOR
BIG SISTERS 1.98

Sizes 7 to 14. Designed to be worn without blouses! Gay cottons including seersuckers!

THESE SLACK SUITS
ARE SO PRACTICAL! 2.98

Not only because they're made of hard-wearing denim or twill . . . but they're so low-priced besides! Just the thing for picnicking, gardening and doing odd chores about the house. You'll like the casual cut of the jacket, the big carry-all pockets, the neat fit of the slacks. Choose twill in faded blue or medium green . . . denim in red, blue or tan with smart white stripes. Sizes 12 to 20.

SLACKS FOR COMFORT
AND SMARTNESS! 3.98

Montgomery Ward

COMMUTERS: New Champs Of Street Bond Sales

BY JOE CABOSE

The most successful street sales to date in the current war bond drive were made Saturday when the Kiwanis-Forerunners team rang up a total of \$34,000, according to the Kiwanis-Forerunners team. This is a record for the city. The Kiwanis-Forerunners team is made up of a group of men and women who are active in the community. They are the ones who are responsible for the success of the drive. They are the ones who are the "champs" of the street bond sales.

We asked both Marty Flynn and Duncan Reynard to what they attributed their success, and both agreed that outside of everybody working very hard to line up buyers in advance, extra special credit goes to George Andrews of Welner Motors for the splendid show he put on. There were Sugar Dawn and her famous pony, some good comedy acts, and a lot of fine music. And whenever the tempo slackened, George (himself an old trooper) jumped in and did a song or two. The whole routine was beautifully timed and most effective, as the results showed.

Also helping out with the program and sales were those busy

Daly City Ousts Chief of Police

DALY CITY—Police Chief James Reardon was dismissed Monday at a meeting of the city council here when charges were brought involving the disappearance of property taken from aliens. The chief's dismissal started a political upheaval in the ranks of the council members.

The ousting of the police chief and the appointment of Officer William T. Bolger as acting chief, brought forth condemnation from the mayor and one council member who were over-ridden by a majority of three councilmen.

Specifically, the chief was dismissed for insubordination and failure to observe the rules and regulations of the police department. Under the insubordination charge, according to Mayor Anthony Gargano, the chief disregarded a council request for an itemized list of property taken from aliens and held for the U. S. marshal by the police department. Charges were made that a rifle, a radio, and a gun had disappeared from the police property room.

Under the charge of failure to observe the rules Reardon is said to have loaned a revolver found in an abandoned automobile to a San Francisco police officer.

That federal officers will be in the case before it is closed was considered likely in Daly City official circles today, for the property alleged to be missing was being held for the U. S. marshal's office. No explanation was given as to why the marshal's office had not taken the alien property from the police storage room.

little sub-teen-age workers, the Junior AWWS girls. Under the able direction of Mrs. Montell Bigler, these little ladies seem to be wherever there is a patriotic job to do.

Incidentally, did you know that Redwood City is leading the nation in the Fifth War Loan campaign? Well, it's leading to this extent: Gen. Chmn. Jake Buhler tells us that Redwood City has raised approximately 50 per cent of its quota already, whereas the nation as a whole has raised less than 25 per cent of the quota. This is not only a tribute to Jake's general committee, but it is a special tribute to Clifton Woodham's sub-committee in charge of the Fifth War Loan.

We think you ought to know the people who comprise this championship team—the committee of Buhler and Woodham—so you can salute them. By and large they are the same people who are always in there pitching, giving cheerfully of

Cattlemen Seek Closer Unity

BURLINGAME—Officers and directors of the San Mateo County Cattlemen's Assn., alarmed by the recent theft and slaughter of a beef animal near Woodside, last week took steps to tighten the organization of 100 members and to assure closer co-operation between livestock owners, the sheriff's office and local police.

Failure to report the Woodside incident promptly was blamed for the inability of law enforcement officers to apprehend the cattle thief. Clarence Lack of Woodside, retiring secretary of the association, was presented with a silver mounted bridle in recognition of his services. Vice President Manuel Piers of Portola, presided at the meeting.

Kiwanis To Hear Oil Company Executive

Wednesday was "Shell Day" for the Kiwanians as Buzz Martin, chairman program for the day, brought R. G. (Bud) Landis, Shell advertising manager.

Landis will present an address on "Freedom From Speech" dealing with the behavior of an accomplished or very unaccomplished speaker.

Sugar Dawn, featured film player, was a guest of the club. She will appear at a special morning matinee for children at the Sequoia Theater on Saturday under sponsorship of the Kiwanis.

Admission was by war stamps only. One of the Western pictures in which Sugar is featured will be shown and toys will be auctioned off to stamp buyers.

Mercerized cotton is named after John Mercer, who discovered ordinary cotton could be made stronger and more lustrous by treating it with caustic soda.

their time and money, when there is some worthy community or patriotic job to be done. Here they are (ladies first!): Mrs. Henry Beeger, Mrs. Vera Ligouri, Mrs. Alice Stafford, Mrs. Emmett Donnelly, Ted Thompson, Carl Ward, Fred Gibbs, Robert O'Connell, Dr. Sumner Hardy, Marty Flynn, Hal Jacobs, Walter Kellogg, Fred Walker, Al McGovern, Charles Nelson, Edwin Hunt, Stanley Perkins and Clarence Brizee. (We hope no one on the committee has been overlooked!)

Well, the Commuters' annual installation dinner dance, scheduled to accommodate a maximum attendance of 100 persons, finally

shook down to 80. The fact that the party was held on Wednesday instead of Saturday (as formerly) cut attendance by 20 per cent. Many of the Commuters are working longer hours than ever before, so a midweek dancing party till 1 a.m., is not particularly enticing. Only a few of us younger and more rugged commuters were able to get up at the usual time Thursday morning and go to work. We don't know how long we were in bed, but our shoes were still warm when we put 'em back on at 6 a.m.

Those who were foolish enough to go to the party seemed to enjoy themselves in spite of the disadvantages. Speech-making was re-

duced to the irreducible minimum, the dinner was good, the music excellent and the companionship superb. Our ladies were beautiful and charming to the point of scintillation. (The thought kept repeating: "Why don't we have more parties to which the ladies are invited?")

As club president, we bowed out, and Stan Perkins bowed in. Ray Coreghino and Frank Hull, on behalf of the club, presented us with a piece of their handiwork—a scale model caboose with the markings of the Southern Railway which runs through our home town of Gadsden, Ala. (We were 22 years old before we knew there were any other rail-

roads.) We managed to get home with the caboose intact, but the next morning Jimmy took over and we haven't been able to play with it since.

In case you forget, others installed were: Clarence Brizee, vice president; Al Armitage, treasurer; W. J. McKeegan, secretary; Bradley Martin and William Curran, sergeants-at-arms; and new directors: Claude Gerdes, Albert Morgan Jr., Joseph McClellan, Lucien Reiss, Richard Tum Suden and yours truly. Adding zest and variety to the entertainment were songs by Mrs. Tum Suden and Bert Conroy.

Commuter-sponsored Cub Pack 16

held its annual outing and weenie roast at Flood Park Saturday afternoon and evening. It was attended both by the boys and their parents. Pack Leader Wayne Burke was in charge. Following the dinner, awards were given out, and then the boys challenged their dads to a game of softball. After four fast innings, the game was called on account of darkness with the score tied 8 to 8. The starting father and son combination were Earl and Peter Tiernan, both of whom hit safely each time at bat, and fielded perfect games.

If you have bought all the bonds you can afford... buy one more, just for luck!

William M. Hale Gets Appointment

Carl Ward, Redwood City branch manager of the American Trust Co., announced last week that William M. Hale, vice president of the Federal Reserve Bank of San Francisco has been appointed executive vice president of the American Trust Co. He will assume his new duties on August 1.

Hale represents the third generation of a California banking family. His father, W. A. Hale, recently celebrated his 60th anniversary with the Bank of Martinez of which he is now president.

SAFEWAY

Homemakers' Guide

Do you save everything — BUT MONEY?

Of course each of us must save every possible ounce of waste fats, to help speed the Victory. We must save and conserve all along the line. One of the most important savings is to save money when buying the necessities of life (and the best investment for that saved money is a War Savings Bond!). Food is a necessity, of course—and when you buy all your food at Safeway, consistently, you save money!

SAFEWAY REALLY-FRESH PRODUCE

One of the best ways to SAVE, in buying fresh fruits and vegetables, is to buy them by weight—Safeway's accurate and wasteless method!

WATERMELONS Pound 4¢
Cabbage 2 Lbs. 7¢
Celery Fancy New Crop—Lb. 15¢
Lettuce Fancy Solid Heads—Lb. 8¢
Corn Local Golden—Lb. 15¢

All advertised items including produce subject to stock on hand and price changes made necessary by market fluctuations or new regulations from OPA

Prices in this ad are effective Thursday through Saturday, June 29, to July 1, inclusive, in San Francisco, Oakland, Alameda, Berkeley, Richmond, Hayward and other cities and towns in San Mateo, Alameda and Contra Costa Counties unless changes are required as a result of new O.P.A. regulations.

Buy—and Eat—the Best of Foods Save Money at Safeway

These days, it's more important than ever to save money—and Safeway offers you the finest in foods at prices that reflect a real saving in the long run! Take advantage of those savings, now and all the time!

SAFEWAY

Food fights for freedom! DON'T WASTE A MORSEL!

USE IT UP!

EAT IT UP!

Take Care of YOUR RANGE

save food...save fuel

Today...never say, "Oh, that's not enough to save." Use every spoonful of leftovers especially if they are beef, lamb or pork. Grind up meat scrap...hash it, cake it or loaf it. Pep it up as a Mexican dish with chili or go Chinese with soy sauce and onions. Leftovers are so easily turned into appetizing nourishing meals. Saving food IS important! Did you know that American families have been throwing away enough food each year to feed ALL our armies overseas? It's the truth. There is just one other important saving too. Save the life and the cooking efficiency of your range by keeping it clean and in good repair. The best way to do this is to "service it up" after every meal. It will look better to you and it will cook better for you.

Have your Pressure Cooker tested before the canning season. Ask about this wartime service at your local P. G. and E. office. No charge, no obligation.

P. G. and E.

PACIFIC GAS AND ELECTRIC COMPANY GE24W-644

FUEL fights for freedom! Conserve Gas and Electricity!

NO CHARMS FOR PATTY?

MOM, WHEN CAN I BUY A CHARM BRACELET? BETTY AND LORNA ARE BOTH WEARING 'EM, AND I WANT ONE!

IM SORRY, PATTY, BUT I DON'T THINK WE CAN AFFORD TO BUY ANY BRACELETS RIGHT NOW.

PATRICIA WANTS THAT BRACELET SO BADLY, MARY, BUT IT TAKES ALL OUR MONEY JUST TO LIVE AND BUY OUR SHARE OF WAR BONDS.

PERHAPS YOU'VE ALREADY TRIED THIS, HELEN.

I CAN REALLY SAVE MONEY, BUYING ALL MY FOOD AT ONE STORE LIKE TO GO ALONG WITH ME WHEN I SHOP THERE ON THE WAY HOME, THIS AFTERNOON?

I CERTAINLY WOULD, MARY!

DO YOU SEE WHAT I MEAN BY SAVING MONEY ON FINE FOOD, HELEN?

I DO, MARY! I'LL BE ABLE TO SAVE ENOUGH HERE AT SAFEWAY, SO WE CAN BUY MORE WAR STAMPS AND GET PATTY THAT CHARM BRACELET, TOO!

Lt. DuBose Destroys Nazi Barges

Destruction of three German barges and an oil tank car during the heat of the invasion battle during the week of June 11-18 was credited to 2nd Lt. William C. DuBose, son of Mr. and Mrs. William DuBose Sr., 1 Duane St., it was learned by the Tribune Tuesday.

Lieutenant DuBose was married to the former Elaine Cox of Oakland on May 9 just before going overseas to get in on the "greatest battle in history."

DuBose, a graduate of Sequoia High School, attended San Mateo Junior College for a semester prior to entering the army air corps. He received his preflight training at Santa Ana and his primary instruction at Ryan Field. He received his wings at Williams Field, Chandler, Ariz., in December, 1943.

Bombardier Lt. Arthur J. Jaffee, son of Mr. and Mrs. Boris Jaffee of Hollyburn Ave., Menlo Park, was also listed as performing one of the outstanding aerial achievements of the invasion. Flying as bombardier on the "Merry Mac," an American bomber.

Hit several times before reaching its target, the ship was so badly damaged that Jaffee had to open the bomb bay doors by hand and release his bombs with a screw driver. The gunners shot down one of the swarming Nazi planes and the "Merry Mac" escaped only to have all four engines quit and the crew bailed out safely just two minutes after they reached England.

ORVILLE V. WYANT ORDERED OVERSEAS

Orville V. Wyant, brother of B. V. Wyant of 733 Hoover St., and a veteran of the last war and the Nicaragua campaign left recently for overseas duty with the navy, it was learned last week.

Wyant's wife will reside in Redwood City while he is out on duty. The navy man has two nephews, Lyle and Galin, who are both seeing service with the navy.

LT. ALFRED HANSEN HOME ON FURLOUGH

Lt. Alfred Hansen, son of Mr. and Mrs. M. J. Hansen, 124 Colton St., San Carlos, was home on furlough recently from his base at San Marcos, Tex., where he has been serving with the army air forces.

Lieutenant Hansen, who went into the service last June, will be back at the army air field at Lincoln, Nebr. He is a navigator on a bomber. The San Carlos flyer graduated from Sequoia High School in 1943.

LT. E. W. FIRESTONE IS MARINE OFFICER

Lt. Edward Firestone Jr., once a star on the radio program "Hawthorne House" is now starting another career, one in the marine corps with the completion of his officer training at the marine base at Quantico, Va.

Lieutenant Firestone, who is the son of Mr. and Mrs. E. W. Firestone, will now enter advanced training classes at the base, the release from Quantico declared.

Graduating from San Mateo Junior College, Firestone attended Northwestern University.

WILLIAM D. FULTON GETS PRIMARY TRAINING

William D. Fulton, has completed his primary training with the U. S. Army Air Forces and has 73 flying hours to his credit after 11 months in the air corps, a dispatch from Thunderbird Field, Ariz., announced today.

Cadet Fulton is the son of Mr. and Mrs. E. R. Fulton, 208 Edgemoor Dr., San Carlos. He is a graduate of Sequoia Union High School.

Fulton's rank as a cadet officer is that of flight sergeant with his squadron.

SGT. ELMER HAGEN WINS PROMOTION

Elmer R. Hagen, son of Mr. Sara Schottler, 411 7th Ave., Menlo Park, has been promoted to technical fourth grade, according to a release from his station in the South Pacific.

Sergeant Hagen is a member of the air force engineer company of the 13th AAF Service Command serving as a construction foreman in his platoon section. He enlisted in July, 1942. Recently, the Menlo Park sergeant was awarded the good conduct medal.

Prior to his enlistment, Sergeant Hagen was employed in San Francisco.

LT. (J.G.) GEORGE PRALL TO GRADUATE AT TUCSON

Lt. (J.G.) George W. Prall, former Sequoia High School teacher, will graduate from the Naval Reserve officers' indoctrination school at Tucson, Ariz., on July 12, a dispatch from that school disclosed today.

Lieutenant Prall entered the service in April of this year and reported for active duty on May 15.

Lieutenant Prall's wife, the former Barbara Newcomb, lives at 1510 Brewster St.

SGT. JAMES O'DELL TRANSFERS TO WYOMING

Sgt. James O'Dell has recently been transferred from Camp Wheeler, Ga., to Fort Warren, Wyo., it was learned today. Mrs. O'Dell and their daughter, Ramona Wright, live at 102 Jefferson St.

Sergeant O'Dell has been in the army two years. Kelly Sikes recently visited Mrs. O'Dell before returning to the South Pacific where he has been stationed for the past two years. He had been stationed at Camp Stewart, Ga., with Sergeant O'Dell.

Hurricanes and earthquakes are common in the Marianas Islands.
